

Hotel Ca'n Roses  
Mallorca

## ARRIVING AT CA'N ROSES

Once you are in Sóller – see map (takes about 5 minutes).

**If you travel with light luggage**, we recommend you to drive directly to the hotel parking. Just before the petrol station, turn right until you see the car wash. Leave the car wash on your left and follow the road to the right just for 5 meters. Our parking has a grey gate with a key pad to enter. Please call us before getting there so we can give you the code. Once your car is parked, you can come to the hotel walking. It takes about 3 minutes. PLEASE NOTE THIS ROAD IS ONLY TO GO ON FOOT, NOT BY CAR!

**If you travel with heavy luggage**, you can first drop off your suit cases at the hotel and then drive back to the parking. Just follow the blue lines on the map.
